DECEMBER, 2007

SIMULATED EMERGENCY TEST

The Simulated Emergency Test, (SET), took place November 3, 2007. A.R.E.S. Groups from Oakville, Burlington and Milton participated. The OZONE station in Peel was also activated.

After the SET was finished we had a brief review of the days work. A further debriefing will take place at the December meeting. Please plan to attend.

The following frequencies are our standards for A.R.E.S. Operations:

RAC

A recent trip to the RAC web page showed that the Field Services Group will be offering the A.R.E.S. ID badges to all A.R.E.S. members. Info, instructions and forms are available on line at their site.

There will be more discussion about ID's at the next meeting.

SEASONS GREETINGS

As this is the last newsletter of the year I would like to thank all of you for your commitment to our A.R.E.S. work and to wish you and your families all the best this holiday season.
