just noise.

MARCH 2007

Welcome to our first information news letter for the Oakville A.R.E.S. Group. With this project your E.C. and A.E.C.'s will provide current info on our group and its activities.

On Sunday, March, 11, 2007 an informal meeting was held for the E.C. and A.E.C.'s. Topics included such items as this news letter, Bi-monthly meetings, membership and upcoming event planning.

Don't forget about the A.R.E.S. meeting on Sunday, March 18, from 1 – 4 pm at the Oakville Red Cross, 1400 Cornwall Road, Oakville. We have a great number of items to cover and it should be very informative. Please plan on attending.

Here are some interesting web sites you should check out:

The EMO ARES Provincial Emergency Operations Centre

<http://www.emoares.org/>

a great site with lots of A.R.E.S. related info and links.

The Central Okanagan Regional District EOC Communications group

<http://www.cordeoc.ca/>

A look at how they do it on the West coast.

Field Day is coming up and the Oakville A.R.C. is planning on a 2A class setup. Since the original idea of Field Day was a training exercise, A.R.E.S. members should take advantage of participating at some level in this event. It's a lot of fun, no matter what you do, so come on out! Contact VE3OGP for more info.

If you have something you would like us to include or submit, drop an email to your E.C. or A.E.C.'s. This is definitely a work in progress.
